

Webinar: The Role of Leadership in Holistic Health Policy Development - One Health Caribbean Initiative

You are invited to attend our next webinar on the topic: **Role of Leadership in Holistic Health Policy Development - One Health Caribbean Initiative**

Date: May 9, 2017

Time: 9:45 am - 11:00 am (Eastern Caribbean Time)

Venue: CLP's WebEx Platform

Register: [Click here to register now!](#)

Using the case study of **One Health Caribbean Love Initiative**, this webinar seeks to explore the role of leadership development in creating more synergistic public policies, particularly holistic health policies around people, the environment and animals.

Our featured guest will be Dr. Chris Oura from the University of the West Indies, St. Augustine, and Project Director for One Health Caribbean Love.
